

Doctoral Course

Classification		Subject
Major Subjects (Level-700)	Information Systems	Study on System Engineering
		Study on Information Networks
	Media Informatics	Study on Signal Processing
		Study on Symbol Processing
	Systems Sciences	Study on Modeling and Simulation
		Study on Sensing and Measurement
Research(Level-800)		Study on Information Systems
		Study on Media Informatics
		Study on Systems Sciences
		Study on Information Science
Joint Research		Collaboration ProjectI
		Collaboration ProjectII
Dissertation(Level-900)		Special Study on Information Science and Technology
